3. Short-Term Disability Insurance

The ability to earn income is sometimes the only financial security an employee has. If so, a disabling injury or illness can be devasting. That’s why having short-term disability (STD) insurance from Lincoln Financial Group is an important employee benefit for your company.

This product is available for 13- to 26-week benefit durations with a variety of standard and optional benefits.

**Pre-existing conditions**
*If diagnosed with a specific condition within the last 3 months, and/or treated for the same condition within the last 3 months, individual may be ineligible for benefits for 12 months.*

**Elimination Period Options**
1st day accident / 8th day illness
15th day accident / 15th day illness

**Benefit Duration Options**

**Percentage of Salary**
66.67%

**Weekly Benefit Maximum**
$1,000
Short-Term Disability Insurance (cont’d)

STD Rates per $10 of weekly benefit
- 1st day accident / 8th day illness / 13 weeks of coverage = $.45
- 1st day accident / 8th day illness / 26 weeks of coverage = $.57
- 15th day accident / 15th day illness / 13 weeks of coverage = $.32
- 15th day accident / 15th day illness / 26 weeks of coverage = $.46

A lenient zero-day residual for the elimination period:
This allows the insured to satisfy the elimination period with either total or partial workdays, so that an employee can work part time without starting a new elimination period.

An aggressive work incentive benefit for part time work:
Encourages the insured to return to work part time by allowing them to earn up to 99% of their pre-disability income.

Enhanced disability benefits:

Family Income Benefit:
The loss of a loved one is difficult. If a family’s primary income provider should die while disabled, the family may have no income to help pay for unexpected medical and care expenses. Lincoln’s Family Income Benefit provides an additional benefit payment upon death to help fill the gap.

Rehabilitation Assistance Benefit:
The Rehabilitation Assistance Benefit is designed to encourage disabled employees to take part in valuable rehabilitation programs. Lincoln will pay an increased benefit amount to employees who participate in an approved rehab program. Plus, vocational rehab programs can be tailored to individual needs to help the employee return to work in less time. This benefit can also help the employer.

Enhanced C-Section Benefit:
More mothers are undergoing C-sections rather than a traditional birth. Lincoln recognizes this fact and also the important time mother and baby need after the procedure. The enhanced C-Section Benefit recognizes this shift with an expanded benefit period to accommodate a longer eight-week recovery time. The C-Section Benefit is one more example of Lincoln’s commitment to provide benefits customers really need.
4. Long-Term Disability Insurance

Long-term disability (LTD) insurance helps protect an employee’s income for a disability lasting longer than the elimination period defined as the policy (typically 13 to 26 weeks).

**Lenient zero-day residual for the elimination period:**
The insured is able to satisfy the elimination period with either total or partial workdays. Therefore, employees can work part time without starting a new elimination period.

**Generous partial disability calculation:**
This allows a claimant to receive up to 100% of pre-disability employment combined with the LTD benefit payment for the duration of the claim.

**Progressive income benefit:**
The core benefit is automatically increased by 10% when an insured suffers a temporary or permanent loss resulting in serious cognitive impairment or the inability to perform two or more Activities of Daily Living.

**Recovery benefit for commissioned employees:**
Provides a six-month supplemental benefit for commissioned employees while ramping up their pre-disability commissioned-based income.

**A value-added employee assistance program (EAP) at no additional cost:**
Lincoln EmployeeConnect is the standard EAP included with all Lincoln Financial LTD contracts and is available to all insured employees.
