Clyde,

How do I update my direct deposit details/account? Assist in the change please. Hope you are coping well with the situation, ensure you stay safe.

Bonnie
Hello,

I hope you and your family are doing well.

I received your T&E in the mail earlier this week but it was not on the current form. Please see the revised request I created today on your behalf. The mileage reimbursement amount changed which adjusted your total payout slightly.

I will forward the request to our payables department tomorrow if you don't have any questions.
