CleanPen

FS201056

CleanPen

from \$40.00

Don't Let Your Pens Become Germ Vessels

Prevent the spread of germs between employees and customers who are using the same pen. CleanPen holds and sanitizes pens between use. Simply place your pen into the convenient holder. When you remove the pen for use, it's been completely sanitized.

- Convenient pen cleaner and holder
- Designed to remove germs that transferred onto the pen during use
- Ideal for use anywhere pens are used by multiple people, including receptionist desks and checkout counters
- Easily disassembled to replace sponge
- Sponge can last up to two weeks (recommended to replace at least every two weeks)
