GROUP SHORT-TERM DISABILITY INSURANCE

The ability to earn an income is sometimes the only financial security an employee has. If so, a disabling injury or illness can be devastating. That’s why having Short-Term Disability (STD) insurance is an important employee benefit for your company. This product is available for 13- or 26-week benefit durations with a variety of standard and optional benefits.

Preexisting conditions

A preexisting condition is a sickness or injury for which the Insured received treatment or advice was recommended, within 3 months prior to his or her effective date. Any disability contributed to or caused by a preexisting condition within the first 12 months of the Insured’s effective date will not be covered.

Benefits are payable on: 1st day accident / 8th day illness or 15th day accident / 15th day illness
Benefit duration options: 13 weeks or 26 weeks
Percentage of Salary: 66.67%
Weekly Benefit Maximum: $1,000

STD rates per $10 of weekly benefit*

1st day accident/8th day illness/13 weeks of coverage = $.477
1st day accident/8th day illness/26 weeks of coverage = $.604
15th day accident/15th day illness/13 weeks of coverage = $.339
15th day accident/15th day illness/26 weeks of coverage = $.488

A lenient zero-day residual for the elimination period:

This allows the insured to satisfy the elimination period with either total or partial workdays, so that an employee can work part time without starting a new elimination period. Generous partial disability calculation: This allows a claimant to receive up to 100% of predisability employment combined with the STD benefit payment for the duration of the claim.

Enhanced disability benefits

Survivor benefit

If a family’s primary income provider should die while disabled, the family may have no income to help pay for unexpected medical and care expenses. Survivor benefit provides an additional benefit payment upon death to help fill the gap.

Pregnancy claim management

The birth of a child is one of the greatest joys a person can experience. However, it can also come with its share of stress. The Short-Term Disability claim experience is as stress-free as possible.

Among the features of Short-Term Disability program:

- Automatic 6 week approval* for traditional delivery
- Automatic 8 week approval* for C-Section
- One-time lump sum payment for the approved period for birth of a child

*From date of delivery
