PREMIUM ONLY ADMINISTRATION

Self-Administered Premium-Only Plan

\$109 one-time fee

A Premium-Only Plan allows employer-sponsored premium payments to be paid by the employee on a pre-tax basis instead of after-tax. When you enroll in the self-administered Premium-Only Plan, you are given all the necessary document templates to administer the program yourself including a fully compliant Plan Document and Summary Plan Description, employee enrollment forms, payroll guide, and nondiscrimination / concentration testing spreadsheet. You will also have access to the Kushner & Company Project Team who will handle any questions you have along the way.

Fully Administered Premium-Only Plan

\$35 per month or \$27.50 per month Green Paperless Discount

When you enroll in the fully administered option, Kushner & Company does all the work for you. The Plan Document and SPD is completed for your company and tailored to your specifications.

You will be contacted by a representative from the Project Team at Kushner & Company who will set up all aspects of the plan on your behalf. This option minimizes paperwork for you to complete and greatly simplifies the implementation and administration. This option also includes annual nondiscrimination testing for your company.

Visit sbam.org/kushner for more information.

FLEXIBLE SPENDING ACCOUNT

A Flexible Spending Account (FSA) is a low cost way for you to enhance your employee benefits package.

When using an FSA, employees reduce federal income taxes, social security taxes, and state income taxes because they are paying for deductibles, co-insurance and non-covered services with pre-tax dollars. An FSA also allows your employees to better budget for known out-of-pocket expenses over a twelve month period.

If you select the FSA administration, you will receive the Premium Only Plan administration, as well as Flexible Spending Account processing for your employees health and/or dependent care account. This includes an administration guide to aid you in the day-to-day operations of the FSA plan, employee communication materials, enrollment forms and claims kit, daily processing of employee claims, and once a week you'll receive a Deposit Report and Check Report. Annually, you'll receive a Year-To-Date Benefit Summary.

Employees receive a free debit card to pay for eligible expenses that gives them direct access to their account for use at the doctor office, pharmacy, dentist, etc. Your employees will have password protected online access where they can view all FSA activity within their own account.

FSA Health Care Account

Employees may set aside a portion of their salary through pre-tax payroll deductions to pay for medical, dental, or vision care expenses for themselves, their spouse and dependents that are not covered by any other insurance plan. As expenses are incurred, employees can file a claim against their account and withdraw money to pay the expenses.

Examples of such expenses include deductibles and co-payments, the cost of prescription drugs, vision care (including eyeglasses and contact lenses), dental care and orthodontia not covered by your group health or dental plans.

FSA Dependent Care Account

Employees (and their spouse, if married) who must pay someone to watch their children so they can work, look for work, or attend school full-time can elect to set aside a portion of their salary through pre-tax payroll deduction.

As expenses for daycare or babysitting are incurred, employees can file a claim against their account and withdraw money to pay the expenses.

COST

\$6.00 per month per participant (\$75 monthly minimum) or \$5.25 per month per participant (\$52.50 monthly minimum) with Green Paperless Discount

Visit sbam.org/kushner for more information.

HEALTH SAVINGS ACCOUNT

A Health Savings Account (HSA) is a tax-exempt trust or custodial account established exclusively for payment of current and future qualified medical expenses. To have an HSA, you must first have a qualified high-deductible health plan.

Qualified Expenses

Qualified medical expenses for an HSA include health insurance plan deductibles, co-payments and co-insurance amounts, prescription and over-the-counter drugs, dental services, vision care, long-term care, psychiatric and psychological treatments and certain health premiums including COBRA (but not premiums while an active employee).

COST

\$5.00 per month per participant
(minimum \$75 per month)

OR

Green Paperless Discount
\$4.25 per participant per month
(minimum of \$52.50 per month)

HSA Contributions

Once you have established the HSA, your company, the employee or both may contribute to the HSA in a given year. For an HSA established by a self-employed individual, the individual may contribute to the HSA. In addition, family members may contribute to an HSA on behalf of another family member. Contributions to an HSA must be made in cash.

Contributions to an HSA may be made through a Section 125 Plan via the pre-tax payroll method or after-tax by making deposits. In any given year, contributions may be made until April 15 of the following year. HSAs may be invested much like a 401(k) or an IRA — in an interest-bearing account, a mutual fund or stocks and bonds.

Because you don't know when the HSA will be called upon for medical expenses, it is generally recommended that the majority of funds be readily accessible through a bank account.

No Limits or Risk of Losing Funds with an HSA

There is no "use-it-or-lose-it" provision with an HSA. Any balance of funds at the end of the year may be carried over into future years with no limits.

The HSA Stays with the Employee

Because the account is owned by the employee or individual and maintained in a trust, the account holder may use the account after he or she leaves the employer who offered the qualified high deductible health plan.

Employees receive a free debit card to pay for eligible expenses and gives them direct access to their account when using an approved bank.

HEALTH REIMBURSEMENT ARRANGEMENT

Health Reimbursement Arrangements (HRAs) are a tax advantaged benefit that allows both employees and employers to save on the cost of healthcare. HRA plans are employer-funded medical reimbursement plans. The employer sets aside a specific amount of pre-tax dollars for employees to pay for their employees' health care expenses on an annual basis. Based on the plan design, HRAs can generate significant savings in overall health benefits.

The most attractive feature of HRAs is that they allow for payment of all qualified health-related expenses on a pre-tax basis. All businesses, including one-person and part-time businesses, may operate an HRA plan. Kushner & Company will provide all the necessary documentation including Custom Plan Document and Summary Plan Description (SPD), employer-specific enrollment forms, employee communication materials including an employee newsletter that explains the benefits and tax savings of the plan and online benefits access, direct deposit and available debit cards.

COST

\$5.00 per month per participant
(minimum \$75 per month)

OR

Green Paperless Discount
\$4.25 per participant per month
(minimum of \$52.50 per month)

WHAT IS THE KUSHNER GREEN PAPERLESS DISCOUNT?

Kushner & Company offers a green paperless option that is designed to make your life a little easier and helps you avoid higher monthly administrative fees on FSA, HSA and HRA plans! When choosing the ACH method option, you receive a monthly email reminder of the amount that will be deducted to cover the cost of your administrative fees. On or around the 15th of each month, the staff at Kushner & Company will simply deduct the fee from your checking account.

This ACH payment method saves you the time and hassle of writing what, in many cases, is a very small check to cover the monthly administrative fee. From enrollment to reimbursement, Kushner Green is the electronic and environmentally aware paperless solution.

SBAM members who choose this option will receive a monthly discount on their FSA, HSA and/or HRA administration. The FSA, HSA and/or HRA Green requirements are as follows:

- All non-debit card reimbursements are direct deposited (no paper checks issued, direct deposit information for all participants required)
- All documents and reports delivered electronically (email addresses for all participants required)
- Payment of invoices by Kushner-initiated ACH payment transfer each month
- Enrollment completed and submitted using Kushner's custom formatted enrollment spreadsheet
- Reimbursement claims submitted via secure website, mobile app, or fax.

To sign up for the Green Paperless option and avoid paying more each month, simply include the ACH form with your enrollment paperwork.

ERISA COMPLIANCE

The Employee Retirement Income Security Act of 1974 (ERISA) is a federal law that sets minimum standards for most voluntarily established retirement and health plans in private industry to provide protection for individuals in these plans. ERISA regulations have been expanded over the years to include additional health laws, including COBRA, HIPAA and the ACA.

Many small businesses don't think that the Department of Labor (DOL) will target them for an audit, but there has been a noticeable increase in the number of small and medium-sized businesses receiving audit notices regarding ERISA and the ACA. Kushner & Company will assist Premium, VIP and Elite level SBAM members with everything related to ERISA compliance through paid consulting services.

Paid Compliance Consulting Services

For members who would like more in-depth consulting services, Kushner & Company will review all of your documents to ensure your company meets ERISA and ACA requirements for health plans. There are three essential parts within the consulting services available to members:

Part I:

- Complete review of all applicable plan documents and Summary Plan Description (SPD)
- Review of current Summary of Benefits and Coverage (SBC)

Part II:

- Determination of the Affordable Care Act's Applicable Large Employer status
- Review existing health plan for Minimum Essential Coverage, Minimum Value, and Affordability parameters
- If applicable, determine potential for employer mandate penalties under IRC Sections 4980H(a) and/or (b)
- Review and/or establishment of proper Measurement, Administrative, and Stability periods, both for current as well as new and variable hour employees
- Establish procedure to distribute all required health and welfare plan notices, including pre-ACA as well as ACA-required notices, and provide such model notices where needed

- Determine if a "wraparound" document would reduce compliance burden and IRS Form 5500 filing requirements
- Review need for annual Patient-Centered Outcomes Research Trust Fund Fee (PCORI) filing, and if necessary, assist with developing the process to file
- Determine if any additional nondiscrimination testing must be performed on any of the underlying health and welfare plans
- Determine applicable IRC Section 6055/6056 compliance reporting requirements. If necessary, assist in preparing processes to comply with that reporting requirement

As an SBAM member, you can protect your employees' privacy, identity, and finances with Allstate Identity Protection.

Allstate Identity Protection proactively monitors the information, accounts, and transactions related to your identity in order to spot fraud at its earliest signs.

And if you do become the victim of fraud or theft, a dedicated Privacy Advocate will help you through every stage of resolving it. PrivacyArmor will reimburse you for any out-of-pocket costs related to resolving your identity theft.

You don't have to figure out who to call, scour webpages for the correct forms, or worry about how much undoing theft will cost you.

Comprehensive identity monitoring

Detects high-risk activity to alert you at the first sign of fraud. We scour the dark web for compromised credentials and monitor financial transactions, all while keeping tabs on your credit reports.

Fraud remediation and restoration

Should identity theft or fraud occur, you have a dedicated Privacy Advocate® to fully manage your recovery and restore your identity. And since fraud doesn't take a holiday, the Privacy Advocates are available 24/7.

Identity theft reimbursement

You never have to worry about covering the costs of identity theft. Allstate's \$1 million identity theft insurance policy† covers any out-of-pocket expenses, lost wages, or legal fees. Plus, they'll reimburse funds stolen from your bank, HSA, or 401(k) accounts.
