fairway to be eligible.**

Rules

START Shotgun start at 9:30 a.m. Men tee off from white tees; women from red.

OFFICIAL RULES USGA rules apply except for local rules contained on the official scorecard or as applied on-site by the golf professional.

FORMAT This is a modified four-player scramble. Each player tees off. The best shot is selected and the second shot will be made from that “best shot selection” after each previous shot.

PACE OF PLAY Pace of play is VERY IMPORTANT! For the pleasure of all teams, please keep pace with the group ahead of you. No group should be ahead or behind the pace of play by more than one hole. Please select and line up the shots expeditiously.

PUTTING OUT Select the best shot to play and mark that spot. “Tap Ins” are allowed to maintain the pace of play. Remaining players may still record the lower score if the ball is holed from the original distance. If the original “tap-in” is missed, the next shot must be marked unless holed out.

ALTERNATING SHOTS If someone in your foursome is unable to play and we are unable to replace them with another golfer, your threesome should alternate the 4th shot between each player to allow your team to have the same number of shots as every other team.

TEAM AWARDS Each member of the low net will receive an award. A tie will be broken by starting at the first handicap hole on the scorecard.

FOOD & BEVERAGE Food and beverages are included in the registration fee for breakfast and lunch. One complimentary mimosa or bloody mary is available before the shotgun start. One complimentary beer or glass of wine is available from the beverage cart using the ticket provided. Additional drinks and a cash bar will be available on the course and during the awards ceremony.

SILENT AUCTION All proceeds benefit the SBAM Foundation; payments must be made on-site by check or credit card.
