

# WORKERS' COMPENSATION

**Saves you money on premiums. Pays you back for being safe.**

- ✓ 5% upfront savings on your workers' compensation premium.
- ✓ Opportunity for annual dividend payments based on group's loss history and written premium.
- ✓ Online loss control tools and virtual or in-person consulting.
- ✓ No minimum premium to qualify.
- ✓ Convenient billing options.
- ✓ Easy claims online reporting with designated representative.
- ✓ The program can be entered with new business or at time of renewal.
- ✓ No 'common' policy effective date is required.
- ✓ Policies are assigned into annual program terms according to their effective date.
- ✓ Dividends are calculated 15 months after the expiration of the program term and require approval by Accident Fund's Board of Directors.
- ✓ Normal underwriting guidelines apply.
- ✓ 24/7 TeleCompCare® nurse triage and telemedicine program.

Work with your licensed property and casualty insurance agent for quoting and enrollment services or contact us to be connected with an agent in your area who can help.
