

# ACCESS

## LEGISLATIVE MONITORING

The **ACCESS** package is designed to help SBAM members stay informed, prepared, and aware of legislative activity that could affect their business – without engaging directly in advocacy.

### What's Included

- Bill tracking tailored to your industry or issue area
- Monthly legislative update brief highlighting relevant developments
- Budget movement summaries when applicable
- Real-time alerts when high-impact legislation advances
- End-of-session legislative summary
- Up to one clarification call per quarter to address questions or context

### What's Not Included

- Direct outreach to legislators
- Committee testimony
- Bill drafting or amendment language
- Strategic advocacy planning
- Coalition representation
- Media engagement
- Regulatory intervention

### Time Allocation:

Up to 2 hours per month

### Overage Rate:

\$150 / hour

*Time allocations reflect average monthly engagement. Legislative activity may fluctuate, but efforts are typically balanced over the course of the annual agreement. Overage work is uncommon and addressed through proactive scope planning.*
