Billing & Enrollment FAQs

When will I be billed for my insurance premiums?

Health, dental, vision, life and disability insurance coverage are pre-paid services. As a result, you will be paying your premiums at the end of the month for the upcoming month's coverage. Your invoice will be ready on or around the 10th of each month for viewing. We mail or email your insurance invoice on the 10th of each month, and the payment is due prior to the 28th of each month.

Tips to keep your insurance coverage in good standing:

- You are able to participate in this insurance program by maintaining your membership with SBAM. Please keep your membership dues in good standing.
- The membership dues invoice will come directly from SBAM's office in Lansing on an annual basis unless you chose to pay your dues monthly. If you select to pay your dues monthly, you can choose to have the amount included on your premium invoice or auto-drafted from your credit card.
- Pay your premium amount in full prior to the 28th of each month. Insurance carriers require you to pay the full amount listed on your invoice.
- Premiums must be received prior to the coverage period to cover the cost of your subscribers' claims. Because the premium payment is processed automatically, you'll be at risk of having your coverage canceled if the amount paid is less than the amount owed on the invoice.
- Any applicable back charges or credits will appear on your next month's invoice.
- Make your check payable to SBIS (Small Business Insurance Services) and mail it to the address provided on the statement:

SBIS (Small Business Insurance Services)
PO Box 951011 Cleveland, OH 44193-0005

(800) 362-5461 | SBAM.org/MemberCare

Is there an Electronic Payment Plan available?

Yes, SBIS does offer an Electronic Funds Transfer (EFT) payment plan. If you choose this payment method, the premium amount due will be withdrawn directly from your checking or savings account on the 28th of each month.

To sign up, please complete the Authorization Agreement for Direct Payment (ACH Debits) form posted at sbam.org and submit it to sbam.org/membercare or call us at (800) 362-5461.

When do I submit enrollment changes such as a new hire or termination?

It is best to do this immediately upon occurrence. Doing so will help keep your insurance premium invoice as accurate as possible. While you have up to 31 days after the qualifying life event to report the enrollment changes to us, it is best to send them to us as soon as possible. Types of qualifying events include:

- New employee hired
- Employee change of address
- Employee termination
- Divorce
- Dependents added or removed
- Death

Due to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) regulations, enrollment changes can only be accepted by encrypted email or standard mail on an Enrollment Change of Status (ECOS) form.

What is the Nonpayment Cancellation Policy for health, life, and disability coverage?

Because health, dental, vision, life, and disability insurance are pre-paid services, premiums must be received by the premium due date - which is the 28th of each month - for the upcoming month's coverage.

If your account is not paid in full by the due date, your group's coverage is suspended and your employees will not have access to their insurance coverage, including prescriptions.

If payment is not received in full or on time, a late notice is printed on the next statement.

If payment is not received within 10 days of the due date, a late notice is mailed requesting payment as soon as possible to avoid claim complications and cancellation for nonpayment.

If payment is still not received within 20 days of the due date, a cancellation notice is mailed.

If payment is not received within 30 days of the due date, coverage is canceled for nonpayment.

What is the Nonsufficient Funds (NSF) Policy for health, life, and disability coverage?

We will waive any fees on the first NSF in a rolling 12-month window. For any subsequent NSF or EFT payments we will charge \$75 per incident. The \$75 fee will be due immediately along with any outstanding balance for premiums, administrative fees, or dues.

If two (2) NSF's are received by BCBSM and BCN within a six (6) month period, your company's insurance coverage will be canceled immediately.

If an NSF check is received and your company is not pending cancellation, the paid date will be backdated accordingly.

If an NSF check is received while your company is pending cancellation for nonpayment, your company's insurance coverage will be canceled immediately.

A company that is canceled for nonpayment for NSF is subject to a 12-month waiting period for reinstatement.

Your company will responsible to pay for any NSF fees incurred.

Where do I go for help?
